8561 <u>PROCUREMENT PROCEDURES FOR SCHOOL</u> <u>NUTRITION PROGRAMS</u>

The Board of Education adopts this Policy to identify their procurement plan for the United States Department of Agriculture's (USDA) School Nutrition Programs. School Nutrition Programs include, but are not limited to: the National School Lunch Program (NSLP); School Breakfast Program (SBP); Afterschool Snack Program (ASP); Special Milk Program (SMP); Fresh Fruit and Vegetable Program (FFVP); Seamless Summer Option (SSO) of the NSLP; Summer Food Service Program (SFSP); the At-Risk Afterschool Meals component of the Child and Adult Care Food Program (CACFP); and the Schools/Child Nutrition USDA Foods Program.

The Board of Education is ultimately responsible for ensuring all procurement procedures for any purchases by the Board of Education and/or a food service management company (FSMC) comply with all Federal regulations, including but not limited to: 7 CFR Parts 210, 220, 225, 226, 245, 250; 2 CFR 200; State procurement statutes and administrative codes and regulations; local Board of Education procurement policies; and any other applicable State and local laws. FSMC's billing invoices will be monitored to ensure compliance with Federal and State procurement regulations and will comply with any additional monitoring requirements as outlined in the approved FSMC Contract.

The procurement procedures contained in this Policy will be implemented beginning immediately, until amended. All procurements must maximize full and open competition. Source documentation will be maintained by the School Business Administrator/Board Secretary or designee and will be available to determine open competition, the reasonableness, the allowability, and the allocation of costs.

The Board of Education intentionally seeks to prohibit conflicts of interest in all procurement of goods and services.

A. <u>General Procurement</u>

The procurement procedures will maximize full and open competition, transparency in transactions, comparability, and documentation of all procurement activities. The school district's plan for procuring items for use in the School Nutrition Programs is as follows:

1. The School Business Administrator/Board Secretary will ensure all purchases will be in accordance with the Federal Funds Procurement Method Selection Chart – State Agency Form #358 - Appendix. Formal procurement procedures will be used as required by 2 CFR 200.318-.326 and any State and local procurement code and regulations. Informal

OPERATIONS 8561/Page 2 of 14 Procurement Procedures for School Nutrition Programs

procurement procedures (small purchase) will be required for purchases under the most restrictive small purchase threshold.

2. The following procedures will be used for all purchases:

Product/	Estimated	Procurement	Evaluation	Contract	Contract		
Services	Dollar	Method		Award	Duration/		
	Amount			Туре	Frequency		
CHART TO BE UPDATED UPON RECEIPT OF INFORMATION							
FROM STATE							

Micro-Purchases:

Purchases of supplies or services, within the micro-purchase threshold (the aggregate amount does not exceed \$3,500 as defined by 2 CFR 200.67) will be awarded without soliciting competitive price quotations if the price is reasonable. Purchases will be distributed equitably among qualified suppliers with reasonable prices. Records will be kept for micro-purchases.

- 3. Formal bid procedures will be applied on the basis of a centralized system as well as state contract.
- 4. Because of the potential for purchasing more than the public or non-public informal/small purchase threshold amount, or the Board approved threshold if less, it will be the responsibility of the School Business Administrator/Board Secretary to document the amounts to be purchased so the correct method of procurement will be followed.

B. Formal Procurement

When a formal procurement method is required, the following competitive sealed bid or an Invitation for Bid (IFB) or competitive proposal in the form of a Request for Proposal (RFP) procedures will apply:

1. An announcement of an IFB or a RFP will be placed in the Board designated official newspaper to publicize the intent of the Board of
