### 9713 RECRUITMENT BY SPECIAL INTEREST GROUPS

The Board of Education will permit access to school students on school premises and access to certain information about individual students for educational, occupational, and military recruitment activities. Access for recruitment purposes will be equally available to all recruitment agencies, in accordance with law.

Representatives of bona fide educational institutions, occupational agencies, and the United States Armed Forces may recruit students on school premises by participation in assembly programs, career day activities, and the like and by distributing literature. Permission to recruit on school premises must be requested in writing ten working days before the planned activity and must be approved in advance by the Superintendent. The Superintendent shall not favor one recruiter over another, but shall not approve an activity that, in the Superintendent's judgment, carries a substantial likelihood of disrupting the educational program of this district.

Each representative of a bona fide educational institution, occupational agency, and the United States Armed Forces will be given, on request, a copy of the student information directory, compiled in accordance with Policy No. 8330.

Parent(s) or legal guardian(s) and adult students will be informed annually in writing of their right to request a student's excusal from participation in all recruitment activities and/or from a listing in the student information directory distributed for recruitment purposes.

Nothing in this policy shall be construed as requiring the Board to approve or participate in an activity that appears to advance or inhibit any particular religious sect or religion generally.
