## ACTION AGENDA

### PUBLIC COMMENTS

Mr. Alan Wirsul asked the Board for due diligence in reducing the cost of the elections. Mr. Wirsul additionally requested that board members include in their platforms to have the public vote on the school budget.

Ms. Michelle Parise expressed her displeasure with the actions of the board members at the previous meeting. Ms. Parise also expressed her concern about a board member having dated a student and requested that Ms. Gartenberg and the board further investigate this matter.

Ms. Annie Michaelson conveyed her disappointment in the actions of the board members at the previous meeting. Ms. Michaelson questioned Ms. Donnay's statement that other districts have closed the achievement gap and requested data showing this accomplishment. Ms. Michaelson voiced that it was unreasonable for members of the board to vote against Ms. Gartenberg's contract because they did not agree with the process.

Ms. Christine Petrane voiced her concern regarding the board's actions in the previous meeting. Ms. Petrane questioned the board on how their behavior was benefitting the children of the district. Ms. Petrane requested that the board show that the children of the district are their number one priority.

Mr. Charles Horn requested that the board attorney provide him with information regarding the law firm's legal opinion on class rank. Mr. Horn also appealed to the board to participate in Newsweek and NJ Monthly surveys.

President Goldoni responded to Mr. Wirsul that the Board would continue to do their due diligence on election costs. President Goldoni acknowledged Ms. Parise and Ms. Michaelson's comments regarding board member ethics in noting that he would lead the Board by example. President Goldoni requested that the attorney look into Mr. Horn's request.

Ms. Gartenberg explained that the rankings of these news magazines are not the litmus test for the quality of the district's education. Ms. Gartenberg further explained that many of these news outlets only include districts that provided active consent to their surveys. Ms. Gartenberg pointed out that many other top-performing area schools were not included in those surveys either.
